Dear Utkarsh Kumar,

Thanks for your interest in Varidus. We hereby offer you the role of the “Startup Advisor”. The terms and conditions of this offer are below. Please review the terms and conditions carefully and e-sign it via our pandadoc link (kindly wait to receive the link). Please note that the term “Company” refers to “Varidus Asia Pacific Ventures Pte Ltd” below. This agreement will be governed by the laws of Singapore.

Please note that this offer will automatically expire within 72 hours of receipt if there is no response from you.

1. Your exact responsibilities and objectives will be determined on the day you start but it will be in line with our verbal discussions and subject to you starting the internship. Your title will be “Startup Advisor” and you can use this externally on LinkedIn as well.
2. The duration of your internship will be from **18/05/2024** (start date) to **17/09/2024** (end date). You agree this is not an offer of employment but that of “internship” and “training”.
3. The role will be entirely virtual and you can conduct it from your home with a laptop and an Internet connection and there is no requirement to come to an office location. You can only work for 6 hours a day as you are still a youth. Upon completion of 18 years of age, this restriction will not apply.
4. You are eligible to earn 10% of any fees that Company earns due to any business referrals solely due to your efforts irrespective of when the internship ends with a upper limit of USD 10,000 on your commission. If one or more interns work with you on the same deal, you will split this equally. Referrals could be new customers or partners that we close and realize revenue.
5. The fees will be paid after Company recognizes its revenue after the deals close, even after your internship terminates. You agree to provide us with your bank account details where you want to receive such payment upon accepting this offer letter and this information will be held in strict confidentiality accordance to the privacy laws of Singapore.
6. You agree that the compensation is fair and equitable due to the fact that you are receiving valuable experience in exchange for your services and that you will not have any claim against the company whatsoever in the future apart from the compensation entitled to you in clause 5 above.

12. The Company may terminate this relationship at any time with no notice if this is deemed to be detrimental or harmful to the company's image for example due to defamation on social media or the relationship is not working out (e.g. conflicts that cannot be resolved or no objectives are being met even partially or you stop attending meetings or do not reply to messages). If you accept another internship without our prior permission during the internship or three incidents of unannounced absences, this internship will automatically terminate. Please note that if you have any issues whatsoever, please bring them to our notice immediately and we will try our best to resolve it. Termination may be with or without causes as listed above and all rights are reserved by Company.
13. After successful completion of the full 4 months of internship, Company will provide a certificate of the experience and provide positive recommendations, depending on performance and invite you for future associations of internship or employment. If you miss a lot of meetings and/or stop attending learning project calls, whether approved or unapproved, the company may at its sole discretion ask you to extend your internship or ask you to drop out and rejoin at a later date to make sure you complete your learning outcomes to enable you to earn the certificate.
